From the navigator

Today finds QUEEN VICTORIA on her final sea day before tomorrow's port of Ponta Delgada. Throughout the day we will be passing the Iberian Abyssal Plain which is a deep ocean area reaching depths of just over 5500 metres. Tomorrow morning at around 5.00am we will begin our approaches to the port, during this time we will be setting various courses rounding the south east coast of Sao Miguel. At 7.00am we expect to embark the local pilot and proceed in towards the breakwater where QUEEN VICTORIA will safety berth for the day.

Tonight's dress code: informal.

Jacket required, tie optional for gentlemen, cocktail dress, stylish separates or equivalent for ladies. Any guests wishing to dress more casually are welcome to dine in the Lido buffet on deck 9 and relax in the Winter Garden, but should not use other areas within the ship, including our Alternative Dining Restaurants, out of respect for their fellow guests.

Hand antibacterial units in the Lido.

We encourage all of our guests to assist us in retaining a healthy ship by using the hand antibacterial before proceeding in to the buffet area. Dispensers are located at the entrances to the buffet area.

Important health advice notice.

Should you experience any symptoms of vomiting or diarrhoea, please report this by telephone immediately to the Medical Centre from your stateroom by dialling 999/911. We ask for your cooperation in preventing the possible spread of this illness and recommend that when practical you use the bathroom in your stateroom. It is vitally important that everyone on board maintains excellent standards of personal hygiene as the virus is easily passed on from person to person by touching surfaces such as handrails, door handles and elevator buttons. The single most effective means of prevention is frequent and thorough hand-washing. We recommend that you wash your hands using soap and warm water for at least 20 seconds then rinse and dry them well each time you use the toilet/rest room, after coughing or sneezing and before eating, drinking or smoking. Please try to avoid touching your mouth with your hands. Whilst alcohol hand sanitisers are no substitute for hand-washing, these have been provided for your use in certain food service areas around the ship.
